Inova SOLUTIONS

Cloud Security Assessment

Are you doing everything you can to protect your organization?

Misconfigurations, risky permissions, and hidden gaps can leave your organization exposed. Our **Cloud Security Assessment** uncovers risks and provides expert guidance, fast, affordable, and tailored to your environment.

Top Features

- ✓ **Review your tenant against Microsoft's best practice security recommendations**

- ✓ **Analyze key areas of your tenant, including Entra ID, Exchange, Teams, OneDrive, and SharePoint**

- ✓ **Receive a security assessment report with key findings and recommendations**

- ✓ **Discuss findings with an expert in a 45-min delivery session**

Think your Microsoft 365 environment is secure?

Inova Solutions provides a fast, expert-led security assessment of your Microsoft 365 environment to identify vulnerabilities, recommend cybersecurity best practices, and strengthen your overall security posture and awareness.
